I.

Based upon the foregoing, Board and Licensee herein jointly stipulate to the following:

JOINT PROPOSED FINDINGS OF FACT

1. The Missouri State Board of Registration for the Healing Arts (“the Board”) is an agency of the state of Missouri created and established pursuant to § 334.120, RSMo 2000, for the purpose of executing and enforcing provisions of Chapter 345, RSMo, pursuant to § 345.030, RSMo.

2. The Respondent (“Licensee”) was licensed by the Board as a speech-language pathologist, License No. 01443. Licensee’s Missouri license was at all times relevant herein, and is now, current and active.

3. Pursuant to § 345.051.3, RSMo 2000, each licensee is required to meet the continuing education hours established by the Board in order to renew his or her license.

4. In order for Licensee to renew her license for the period of 2001 through 2003, Licensee was required to obtain thirty hours of continuing education for the period of January 1, 1999 to December 31, 2000, in accordance with § 345.051.3, RSMo 2000 and 4 CSR. 150-4.052.

5. § 345.051.3, provides, in part, that:

An applicant for renewal of a license pursuant to this section shall:

....

(2) Meet any other requirements the board establishes as conditions for license renewal, including the demonstration of continued competence to practice the profession for which the license is issued. A requirement of continued competence may include, but is not limited to, continuing education, examination, self-evaluation, peer review, performance appraisal or practical simulation.

6. 4 CSR 150-4.052, provides, in part, that:

(1) Each licensee shall biennially complete and report at least thirty (30) hours of continuing education. A person holding licensure in both speech-language pathology and audiology shall biennially collect and report at least thirty (30) hours of continuing education in speech-language pathology and at least thirty (30) hours in audiology. The board shall not issue a renewal of a licensee's license certificate of registration unless the licensee documents completion of thirty (30) hours of continuing

education in the immediately proceeding reporting period.

(4) Each licensee shall retain records documenting his/her attendance at and completion of the required hours of continuing education for a minimum of three (3) years after the reporting period in which the continuing education was completed. The records shall document the titles of the courses taken, dates, locations, course sponsors, category of hours earned, and number of hours earned. The board may conduct an audit of licensees to verify compliance with the continuing education requirement. Licensees shall assist the board in its audit by providing timely and complete responses to the board's inquiries.

(6) Violation of any provision of this rule shall constitute misconduct, fraud, misrepresentation, dishonesty, unethical conduct or unprofessional conduct in the performance of the functions or duties of a speech-language pathologist and/or audiologist depending on licensee's conduct. In addition, a licensee who has failed to complete and report in a timely fashion the required hours of continuing education and engages in the active practice of speech-language pathology and/or audiology without the express written authority of the board shall be deemed to have engaged in the unauthorized practice of speech-language pathology and/or audiology and punishable as such under section 345.075, RSMo.

7. 4 CSR 150-4.053 (1), provides that:

A minimum of twenty (20) hours of the required thirty (30) hours of continuing education must be obtained as follows:

(A) Activity approved by the American Speech-Language-Hearing Association (ASHA), the American Academy of Audiology (AAA), the American Medical Association (AMA); or courses sponsored by the Missouri Speech-Language-Hearing Association (MSHA) or the Missouri Academy of Audiology (MAA), the Department of Elementary and Secondary Education (DESE), or the Council for Exceptional Children (CEC); and/or

(B) Academic coursework at a regionally accredited college or university in subject matter specified in subsection (2)(D) of this rule.

8. On the 2001-2003 renewal application, Licensee indicated that she had satisfied the continuing education requirements and indicated that she had obtained thirty hours of continuing education during the period of January 1, 1999 through December 31, 2000.

9. On May 14, 2001, the Board informed Licensee that it was conducting an audit of the continuing education hours she had obtained for the period of January 1, 1999 through December 31, 2000. Licensee was requested to submit the required documentation verifying her continuing education to the Board.

10. On or about June 29, 2001, Licensee responded to the Board's audit request by submitting a worksheet that indicated she had obtained 39.75 hours of continuing education during the period of January 1, 1999, through December 31, 2000.

11. Within the worksheet, Licensee indicated that she had obtained 24 hours of continuing education in Category I, as required by 4 CSR 150-4.053(1), from the American Speech-Language-Hearing Association ("ASHA"); however, Licensee only

submitted documentation verifying attendance for 12 hours that were sponsored by ASHA.

12. On August 8, 2001, and September 5, 2001, the Board informed Licensee that she still needed to provide documentation for 8 hours from the approved sponsors as required in 4CSR 150-4.053 (1).

13. Pursuant to 4 CSR 150-4.052(4), Licensee is required to retain documentation of continuing education attendance for three years after the reporting period and to comply with the Board's audit.

14. During the period of January 1, 1999, and December 31, 2000, Licensee failed to obtain 20 hours of continuing education from approved sponsors in Category I, as required by 4 CSR 150-4.053 (1); or in the alternative, Licensee failed to retain or submit the required documentation verifying her attendance.

15. The Board relied on the answers and information that Licensee provided in her renewal application when determining whether Licensee had met all of the requirements for renewal and in determining whether her license should be renewed.

JOINT PROPOSED CONCLUSIONS OF LAW

1. Cause exists for Petitioner to take disciplinary action against Respondent's license under § 345.065.2(3), (6), and (11), RSMo 2000, which states in pertinent part:

(3) Use of fraud, deception, misrepresentation or bribery in securing any certificate of registration or authority, permit or license issued pursuant to sections 345.010 and 345.080 ...

....

....

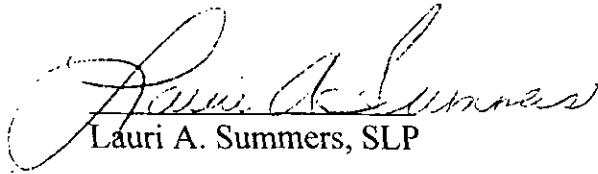

(11) Issuance of a certificate of registration or authority, permit or license based upon a material mistake of fact.

II.

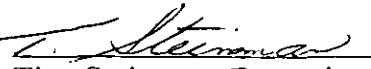

Based on the foregoing, the parties mutually agree and stipulate that, in lieu of disciplinary action, the speech-language pathology license, No 01443, issued to Licensee is hereby VOLUNTARILY SURRENDERED BY LICENSEE.

- A. This Agreement does not bind the Board or restrict the remedies available to it concerning any other violation of Chapter 345, RSMo, by Licensee not specifically mentioned in the document.
- B. In consideration of the foregoing, the parties consent to the termination of any further proceedings based upon the facts set forth herein.
